Subject: your e-mail

I am glad to receive your message. It is very good that we will see each other.

Firstly, I would like to visit the seaside in your city.

Secondly, if you have theatre and cinema, I want to see it.

I love bikes. My bikes in red. I spend all summer on bike. At winter, I cannot do it, because of snow. If it will be sunny, I like your idea about bikes.

Do you have football matches?

I like football and basketball. So my class can play. We can play it in your downtown.

I am sorry, I have to help my dad in garage with car and do my homework. Write you later with love.
