Subject: my visit

Dear Alex, I think we will have a great time together! London is a very beautiful city. I would like to visit the most interesting places like London Eye or Traffalgar square. To be honest, I have never been to London. I always read about the Great Britain and I think that London is really exciting city. There are a lot of beautiful places I want to visit. I also would like to see downtown. I think we can use hire bikes to get around the city. It is a great idea. But we also can walk in London. Walking around the city is as great as using bikes. I can't wait to see you next week. See you soon!
