Subject: my visit to you

Hallo friend, thanks for your letter and your words about me.

Yes, I am too glad, because I can spend a whole week with you and your family in your city.

There are many kinds of places, which I would like to visit, such as tall mountains, rocky cliffs and fast-flowing streams. And I want to see many many picturesque views outside and in city. I would like to walk around the city: walk near old buildings and across beautiful bridges, visit museum or park.

I know what we can either use public transport either hire bikes to get around. But I prefer hire bikes, because it's interesting for me to ride a bike around the city and outside the city.

As soon as I will come in your city and we will do all from my letter.
