Writing

Dear Principal,

I am writing a proposal, explaining what should we ~~be~~ improve in our school library. Here are my suggestions.

Firstly, more books is a must. It is necessary to increase ~~a~~ variety of books so everyone could find a book they will truly enjoy reading.

Secondly, our library needs more furniture. ~~In it - One~~ The library, in its current state, is very empty and boring. More tables, chairs and decorations will solve the problem.

Finally, we need to upgrade computers and printers. Computers are really slow and glitchy and ~~they~~ their keyboards are broken! Not to mention printers, half of which don't even work! Moreover, the cables are everywhere and it is easy to ~~fall~~ fall on the floor because of them. Also, have I said that computers produce a noisy sounding noise when they are on?

To sum up, it is obvious that the library requires a massive overhaul. I have pointed out few but not all things that should be ~~improved~~ upgraded/improved.

I am looking forward to hear from you again.

Best wishes,

N
