Respectable Principle,

Our class has decided that the money, which you asked about, should be spent to extend the library, buy more books and upgrade resources.

In our opinion, If it's done, education getting will become quite easier for the pupils of all the school, not only of our class. Children will read more books and take knowledges because of the possibility to do it without any efforts, free. It's a well-known fact that ~~a~~ book can take a teacher's place for the weak student and simplify his education getting.

So, it's all we would like to tell. We hope that our arguement quite good, and our plan will be done. Thank you for paying the attention.

With a ~~Y~~ respect,

N
