Writing

Dear Principle,

I am writing in proposal to your advertisement, which I saw in today's local newspaper. I apply for proposal. I have some reasons for it.

To begin with, I am 15 years old and study on secondary school. I am good in books and I worked in library last summer.

As for me, I have some experience in this area. I like reading books and know about in so much. If I have money to spend it I would spend money for library. Also, my class wants to see new book in the library.

By the way, I would like bought new exciting books for example, detective, novel, adventures. Besides, I would like <sup>really</sup> computers, because it can help in study for students.

Please attached ~~for~~ my CV, for more information. I am looking forward to

I will wait your call.

Best sincerity

N
