Dear Proposal,

I would like to propose you how to spend money that you put on improving the building and facilities.

After discussing ^{it in} with my class we decided that the best way to spend this money will be to extended the library. Our library is getting very old and it will be great if you make it better and more comfortable for ~~our~~ students. Also, it will be great if you ^{would} bought more new books. Because ~~its~~ doesn't have all books ~~in~~ ~~so~~ that we need in school program. And in conclusion it will be great if you would accept the new computers or upgrade old ones.

Thank you for reading my propose. I really hope that you will get and read it.

Best wishes,

N
