Dear Sir/Madam

10 class is writing to suggest You how to spend money should be spent.

Our class has decided that library would be the best variant. And we have some reasons why we think so.

Firstly, library is, without any doubts, usefull as studying, finding information and doing different projects. So our school should buy more books and tables.

Secondly, if we will change our old computers to the new ones and provide the Internet, library ~~to~~ will become available to organise clubs and meetings. Also, we should add, that new technologi~~s~~s will ~~be~~ help to students who does not have any opportunity to use computer at home.

And finally, well-equipped library with wide range of books, new computers and the Internet will increas the level of our school and make it much morden and comfortable for studying.

We hope it will help ~~yo~~ You to make a deecision.

Waiting for Your agreement.

Yours faithfully,
